## **All Souls' Rising: A Novel of Haiti (1)** Madison Smartt Bell

In this first installment of his epic Haitian trilogy, Madison Smartt Bell brings to life a decisive moment in the history of race, class, and colonialism. The slave uprising in Haiti was a momentous contribution to the tide of revolution that swept over the Western world at the end of the 1700s. A brutal rebellion that strove to overturn a vicious system of slavery, the uprising successfully transformed Haiti from a European colony to the world's first Black republic. From the center of this horrific maelstrom, the heroic figure of Toussaint Louverture—a loyal, literate slave and both a devout Catholic and Vodouisant—emerges as the man who will take the merciless fires of violence and vengeance and forge a revolutionary war fueled by liberty and equality.

Bell assembles a kaleidoscopic portrait of this seminal movement through a tableau of characters that encompass black, white, male, female, rich, poor, free and enslaved. Pulsing with brilliant detail, **All Soul's Rising** provides a visceral sense of the pain, terror, confusion, and triumph of revolution.
