Inklings Jeffrey Koterba

At age six, Jeffrey Koterba began drawing cartoons, creating with ink and white paper a clean, expansive refuge from the pandemonium surrounding him.

The Koterba household was filled floor-to-ceiling with second-hand TVs and garage-sale treasures his father, Art, fixed and sold for extra money. A hard-drinking ex-jazz drummer whose big dreams never panned out, Art was subject to violent facial and vocal tics—symptoms of Tourette’s Syndrome, a condition Jeffrey inherited—as well as explosions of temper and eccentricity that kept the Koterba family teetering on the brink of disaster.

From the canyons of busted electronics, the lightning strikes, screaming matches, and discouragements great and small emerged a young man determined to follow his creative spirit to grand heights. And much to his surprise, he found himself on a journey back to his family and the father he once longed to escape. *Inklings* is an exuberant, heart-felt memoir infused with a uniquely irresistible optimism.
