Bull rider Cooper Saunders has a shot at the PBR championship until a bull not only shatters his body and puts him in danger of never walking again, but it also tramples his spirit. Cooper is ready to give up on life, not wanting to be a burden on others, until his neighbors in Morris Springs, Texas, show him how much he has to live for.

Physical therapist Nancy Phillips is not about to let Cooper give up, not after she worked so hard to get him back in shape for the finals. Now she must not only help him find the will to live, but also give him the motivation to get out of that wheelchair. With the help of newly-orphaned Becky McCallum and Nancy's friends in Morris Springs, Nancy shows Cooper how much he still has to offer, to his family, the community, and to her.

The Bluest Eyes in Texas is Book Three in the Lone Star Cowboys series, with return appearances by many of the characters from Blame it on Texas and Blue Moon over Texas. Don't miss Book Four, Beneath a Texas Star, available now.
