Masters of Science Fiction and Fantasy Art: A Collection of the Most Inspiring Science Fiction, Fantasy, and Gaming Illustrators in the World Karen Haber

Masters of Science Fiction and Fantasy Art profiles and celebrates the work of today's leading practitioners of art of the fantastic, as well as a handful of gifted newcomers from around the globe. The range and impact of their work is both inspiring and far-reaching. These 28 masters have created images for television, movies, gaming, museum exhibits, theme park rides, and every area of publishing. Some of the artists featured only employ traditional painting techniques, while others use only digital methods, and many more blend the mediums to create their fantastical images. Each artist discusses his/her influences and techniques as well as offering tips to beginning artists. Science Fiction Grandmaster and Hugo Award-winning author Joe Haldeman contributes a foreword. Artists, science fiction fans, and art collectors will appreciate the outstanding artwork featured here.
