The Sweet Series Nikki Winter

ST: Evan Halima has been hopelessly devoted to Bianca Grayson--and her culinary confections--from the moment she took pity of his poor, wayward, little soul, choosing to share her smile and a cookie with him at an impressionable age. That impression never dissipated and as of late, he's discovered that his devotion has turned into a desire that he's no longer able to bury beneath their years of friendship. When Bianca reveals that she has a date planned with someone Evan barely tolerates, he decides that he's had quite enough of resisting his sweetest temptation...

SS: Sheriff Dane Halima has had to be extremely wily whilst dealing with his hometown of Damon, Texas and all it's inhabitants but he's always found one resident in particular to be...difficult. Brianna Grayson has his heart, and other places, in a knot. Why she refuses to let him show her all the wonderfully filthy things they could spend the rest of their days doing to one another, he isn't sure. However, opportunity presents itself and he's never been a man to turn it down. Not when he can finally experience the sweetest surrender of his career...

SV: Roderick Hines and Victoria Graham seem to enjoy rousing, public bouts of sporadic violence and the calling names that would get them popped by Nuns. As Victoria finds herself in need of new employment: preferably somewhere that she doesn't have to break her boss' hand due to sexual harassment in the workplace, the career move of a lifetime drops in her lap on the ranch of her best friend's husband. There's just one problem and he comes in the form of an over sized blonde with laughing blue eyes and a face she wants to slap and kiss in equal parts. Is it possible to keep things strictly professional during daylight hours while hiding that she takes her pleasure in his bed when the sun goes down? Probably not considering said over sized blonde is intent on claiming her as his own in a sweet victory...

SW: Dexter Franklin isn't one who really understands all that goes into seduction. The preliminaries are lost on him as a man who's been known to be a bit rough and quite demanding. Therefore, it only makes sense that he would seek a bit of advice on how to curb his Alpha tendencies and soften them. The thing of it is, he does so in an very unconventional way that catches the teasing attention of a woman who was clearly created by the gods of sex and passion themselves before they placed her in his line of sight. Harlow Roberts was made for him and him alone. Dex simply has to convince the sinfully wonderful librarian of this. Hopefully it'll take just a few sweet words...

SA: Telling someone to screw off was a delicate process. Lena Ramos wasn't very good at delicacy. You could ask around to find that out. Or you could go right Archer Davis and listen as he explained how Lena was not to be trifled with. From the day he'd met her during her rough and tumble tomboy years, he never really had much interest in anything but fighting. Well at least that's the way he sees it until she shows up for a vacation on the ranch he and her older brother co-own... From the moment she arrives, she sends all of his assumptions and memories into a tailspin. Eventually he realizes, she just has the sweetest allure and resistance is futile...

SS: For ten years Felix Ramos has been chasing the woman of his dreams and trying to convince her that she is the only thing that could make his life complete. The problem is Paige Matthews just won't accept that she's supposed to be his wife and the carrier of his perfect genetic line. But when he comes up with a flawless plan to trap her alone with him for two weeks, Felix believes that he has the perfect method of

getting what he wants more than anything. It all starts with a sweet seduction...
