**The Twisted Worlds of Philip K. Dick: A Reading of Twenty Ontologically Uncertain Novels** Umberto Rossi

Philip K. Dick was one of the most popular science fiction novelists of the 20th century, but the contradictory and wily writer has troubled critics who attempt encompassing explanations of his work. This book examines Dick's writing through the lens of ontological uncertainty, providing a comparative map of his oeuvre, tracing both the interior connections between books and his allusive intertextuality. Topics covered include time travel, alternate worlds, androids and simulacra, finite subjective realities and schizophrenia. Twenty novels are explored in detail, including titles that have received scant critical attention. Some of his most important short stories and two of his realist novels are also examined, providing a general introduction to Dick's body of work.

#### **April Baker:**

As a student exactly feel bored to be able to read. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just very little students that have reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this *The Twisted Worlds of Philip K. Dick: A Reading of Twenty Ontologically Uncertain Novels* can make you feel more interested to read.

#### **Walter Burchett:**
