C. S. Lewis

Image and Imagination: Essays and Reviews (Canto Classics) C. S. Lewis

This selection from the writings of C. S. Lewis gathers together forty book reviews, never before reprinted, as well as four major essays which have been unavailable for many decades. A fifth essay, 'Image and Imagination', is published for the first time. Taken together, the collection presents some of Lewis's finest literary criticism and religious exposition. The essays and reviews substantiate his reputation as an eloquent and authoritative critic across a wide range of literature, and as a keen judge of contemporary scholarship, while his reviews of *The Hobbit* and *The Lord of the Rings* will be of additional interest to scholars and students of fantasy.
