On November 13, 1974 the quiet village of Amityville was rocked by the murders of six members of the DeFeo family at 112 Ocean Ave. The only surviving member of this tragic ordeal was Ronald DeFeo Jr., who was later charged and convicted to six-life-sentences.

Thirteen months later, the Lutz family moved into the lavish Dutch Colonial home, but moved out mysteriously after just 28-days, claiming that the house was haunted! Then came a media frenzy, and with the release of Jay Anson's runaway best selling book "The Amityville Horror," which was later transformed into a blockbuster movie, the story became an international phenomenon.

MIA is a must read for anyone who wants to know the complete story behind the most famous haunted house in the world. MIA the 2nd Edition includes new insight, new details, and new interviews. This book is the most in-depth, factual account of the story that has remained an international phenomenon.
