The Esoteric Design: Disbanding Hope A. R. Crebs

With Ivory and Dovian stranded on Ives, Troy and Aria find that the battle for humanity is only getting harder. Enemies have become allies, and allies have become enemies as Sapphire continues to destroy city-states and resources around the world. Struggling to keep herself and those close to her alive, Aria's hope wavers as evidence of Dovian's betrayal surfaces.

Gathering what forces she can, Aria bands together with other militaries in hopes of luring Sapphire's attacks away from the other city-states and toward herself. Can she and the others put an end to Sapphire's army? And is there any way to save Ivory and Dovian from the clutches of darkness? As the war relentlessly rages on and the losses become greater, Aria and Troy discover the real struggle is maintaining any hope.
