As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs.
