Excerpt from Anecdotes About Authors, and Artists

The Ms. Diary, or "Kalendarium," of the celebrated John Evelyn lay among the family papers at Wotton, in Surrey, from the period of his death, in 1706, until their rare interest and value were discovered in the following singular manner.

The library at Wotton is rich in curious books, with notes in John Evelyn's handwriting, as well as papers on various subjects, and transcripts of letters by the philosopher, who appears never to have employed an amanuensis. The arrangement of these treasures was, many years since, entrusted to the late Mr. Upcott, of the London Institution, who made a complete catalogue of the collection.
