It's Always Sunny in Philadelphia: The 7 Secrets of Awakening the Highly Effective Four-Hour Giant, Today The Gang

“The Gang” from *It's Always Sunny in Philadelphia* attempts their most ill-conceived, get-rich quick scheme yet: publishing a “self-help book” to hilarious, sometimes dangerous, and often revolting, results.

The Gang may have finally found their golden ticket. Left alone to close down Paddy’s Pub one night, Charlie Kelly inadvertently scored himself, and his friends, the opportunity of a lifetime—a book deal with a real publishing company, real advance money, and a real(ly confused) editor. While his actual ability to read and write remains unclear, Charlie sealed the deal with some off-the-cuff commentary on bird law and the nuances of killing rats (and maybe with the help of some glue fumes in the basement with an unstable editor on a bender). While The Gang is stunned by the news, and the legally binding, irrevocable contract left on the bar, they are also ready to rise to the task and become millionaires—and of course, help Charlie actually write the book.

In their own inimitable voices, Charlie, Mac, Dennis, Sweet Dee, and Frank weigh in on important topics like Relationships, Financial Success and Career, Fashion and Personal Grooming, Health and Diet, and Survival Skills, providing insane advice, tips, tricks, and recipes (Rum Ham anyone?) as only they can.

Fans of *It's Always Sunny in Philadelphia* rejoice and welcome the most influential work in the history of the written word (or at least since the script for *The Nightman Cometh*): *The 7 Secrets of Awakening the Highly Effective Four-Hour Giant, Today*.
