Love is an Addiction: Collector's Edition (Oliver's Strange Journey Book 2) Oliver Markus

Along his strange journey into the seedy underworld of Fort Myers, Florida, Oliver encounters a number of female drug addicts and he empathizes with them because of his own traumatic past. He feels compelled to try to help them escape the addict lifestyle, but the end result is always the same: They break his heart.

“Love is an Addiction” explores the world of online prostitution, the underlying causes and consequences of drug addiction, as well as the shortcomings of the AA 12-step-program and the failure of traditional rehab programs that are utterly divorced from modern medical science.

There have been a number of books about drug addiction in recent years, but “Love is an Addiction” offers a fresh, unique perspective.
