Author and international speaker Mike Dooley illuminates exactly how to move beyond the law of attraction to the next level--manifestation. In his most powerful and comprehensive work to date, Dooley reveals his master guide for following your heart and taking action on your dreams. "Manifesting Change" explains the actual mechanics behind every dream, how you fit into the equation of "Reality Creation," and which steps you can take that will lead you to the desired end results without worrying about the details. Dooley expands upon the universal mysteries of why you are here, who you really are, and all that you deserve. It includes easy-to-understand exercises, stories, and analogies, and reveals the extraordinarily unique concept, the "Matrix" that clearly shows the flow of events that will, or will not, automatically trigger changes in your life based upon your thoughts, words, and actions.
