David W. Berner

Any Road Will Take You There: A journey of fathers and sons David W. Berner

Recipient of a Book of the Year Award from the Chicago Writers Association, *Any Road Will Take You There* is honest, unflinching, and tender.

In the tradition of the Great American Memoir, a middle-age father takes the reader on a five-thousand-mile road trip -- the one he always wished he'd taken as a young man. Recently divorced and uncertain of the future, he rereads the iconic road story -- Jack Kerouac's *On the Road* -- and along with his two sons and his best friend, heads for the highway to rekindle his spirit.

However, a family secret turns the cross-country journey into an unexpected examination of his role as a father, and compels him to look to the past and the fathers who came before him to find contentment and clarity. The result is a memoir that reveals the generational struggles and triumphs of being a dad, and the beautiful but imperfect ties that connect all of us.
