Dear Future Wife: Love Letters to my One True Love was a fun book to write. Chandler Ross spends years writing love letters to his future wife and we see him go through his life at school, friends, family, relationships, and walk with God. He dates a few girls and wants to do something special, romantic, and loving for his wife. It is fun seeing all that happens to him and guessing who his future wife will be and the road and journey that takes them there.
