Set for Success: Activities for Teaching Emotional, Social and Organisational Skills Josie Santomauro

To be successful in today's world, all children need to become competent in emotional, social and organizational skills. This engaging and easy-to-implement resource will be an invaluable tool for teaching these essential life skills to children of all abilities. Each chapter is subject-themed, and includes a checklist of objectives, lesson ideas, activities and fully-photocopiable worksheets. From developing organizational skills by making use of timetables, reports and note-taking, to promoting self-esteem by creating acrostic poems, "Set for Success" offers a series of structured yet fun-filled exercises that cater for all learning styles and levels of emotional and social proficiency. This practical resource is ideal for children aged 3-10, but many of the activities can easily be adapted for older children who need extra support in developing emotional, social and organizational skills.

From reader reviews:

Hayden Roberts:

Nowadays reading books become more and more than want or need but also be a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The info you get based on what kind of publication you read, if you want drive more knowledge just go with education books but if you want sense happy read one using theme for entertaining including comic or novel. Typically the Set for Success: Activities for Teaching Emotional, Social and Organisational Skills is kind of e-book which is giving the reader unforeseen experience.

Rhonda Munoz:

Information is provisions for people to get better life, information currently can get by anyone on everywhere. The information can be a information or any news even restricted. What people must be consider any time those information which is inside the former life are difficult to be find than now could be taking seriously which one would work to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Set for Success: Activities for Teaching Emotional, Social and Organisational Skills as your daily resource information.

Stephen Rael:

This Set for Success: Activities for Teaching Emotional, Social and Organisational Skills is great book for you because the content and that is full of information for you who always deal with world and also have to make decision every minute. That book reveal it information accurately using great manage word or we can state no rambling sentences within it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tough core information with splendid delivering sentences. Having Set for Success: Activities for Teaching Emotional, Social and Organisational Skills in your hand like getting the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen second right but this publication already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt that will?

Sandra Vincent:

In this period globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The fitness of the world makes the information quicker to share. You can find a lot of personal references to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The actual book that recommended for your requirements is Set for Success: Activities for Teaching Emotional, Social and Organisational Skills this e-book consist a lot of the information of the condition of this world now. This

kind of book was represented how do the world has grown up. The language styles that writer require to explain it is easy to understand. The particular writer made some analysis when he makes this book. That is why this book suitable all of you.
