The Visitors: A Novel Sally Beaman

Based on a true story of discovery, *The Visitors* is New York Times bestselling author Sally Beaman's brilliant recreation of the hunt for Tutankhamun's tomb in Egypt's Valley of the Kings—a dazzling blend of fact and fiction that brings to life a lost world of exploration, adventure, and danger, and the audacious men willing to sacrifice everything to find a lost treasure.

In 1922, when eleven year-old Lucy is sent to Egypt to recuperate from typhoid, she meets Frances, the daughter of an American archaeologist. The friendship draws the impressionable young girl into the thrilling world of Lord Carnarvon and Howard Carter, who are searching for the tomb of boy pharaoh Tutankhamun in the Valley of the Kings.

A haunting tale of love and loss, *The Visitors* retells the legendary story of Carter and Carnarvon's hunt and their historical discovery, witnessed through the eyes of a vulnerable child whose fate becomes entangled in their dramatic quest. As events unfold, Lucy will discover the lengths some people will go to fulfill their deepest desires—and the lies that become the foundation of their lives.

Intensely atmospheric, *The Visitors* recalls the decadence of Egypt's aristocratic colonial society, and illuminates the obsessive, daring men willing to risk everything—even their sanity—to claim a piece of the ancient past. As fascinating today as it was nearly a century ago, the search for King Tut's tomb is made vivid and immediate in Sally Beaman's skilled hands. A dazzling feat of imagination, *The Visitors* is a majestic work of historical fiction.
