DeGaulle: The Rebel 1890-1944 (Vol. 1) (Norton Paperback) Jean Lacouture

“In this magnificent biography . . . Jean Lacouture marches majestically through de Gaulle’s first 54 years. . . . A feast, robust, subtle, joyful, complex, a celebration to be savored.” ?*New York Times Book Review*

Savior of his nation in war; bold man of letters; patriot; a statesman who achieved reality for his political vision by the overwhelming force of his will: the personality that emerges in Jean Lacouture’s magnificent biography of Charles de Gaulle seems larger than life, a presence of mythic proportions. The story begins with de Gaulle’s childhood in Lille and follows him through his heroic experiences in World War I and his swift rise to prominence in the French army, to that great moment of triumph, the liberation of Paris in August 1944. Perceptions of the private de Gaulle—the schoolboy, the father—are woven into this politically astute account of a career grounded in controversy.
