## **Jacqueline du Pré: A Biography** Carol Easton

Carol Easton, who knew Jacqueline du Pré well, draws on this friendship to create a moving and insightful portrait of a singularly complex person. Jacqueline du Pré (the subject of the recent film *Hilary and Jackie*) was the music world's "golden girl," with what appeared to many to be a fairytale career and storybook marriage to Daniel Barenboim. But away from her cello, du Pré was achingly human. As a child, she was isolated by her phenomenal talent. As an adult, she was confined to the rarefied, insular concert world. And during the last fifteen years of her life, she lived in the inexorably shrinking world of the invalid, as multiple sclerosis took its toll. *The Baltimore Sun* said, Carol Easton tells this extraordinary story "with feeling befitting du Pré's own."
