Rolling with the Punches Jamie Kerrick

Rolling With The Punches is what Joey Doulgas's dad always told him when things got rough. He explained that the punches in life were something you always had to deal with. Joey grew to understand once he got older, but it was a life long lesson. We start with a young Joey feeling he was different due to his sexual feelings toward men. Living in a small town in Kentucky only made it worse. There were three things Joey didn't want to be: gay, alone, and alcoholic. He was all three. This is his story, which can only be described as a dramedy for gay recovering alcoholics and addicts because it's both funny and tragic. We follow him as he grows up, goes to summer stock in Virginia, to study in Europe, New York, California, and finally back home. At one time alcohol was his answer to life. But it took over his life and he had to ask for help. But Joey is a slow learner. It takes him nearly 21 years before he found Alcoholics Anonymous and a new way of life. But the punches continued to come. The only difference is, he became aware of how to handle them. Find out how in this entertaining novel. You'll find yourself rooting for him, while identifying with him as well.
