Brion Gysin

Back in No Time: The Brion Gysin Reader Brion Gysin

Brion Gysin (1916–1986) was a visual artist, historian, novelist, and an experimental poet credited with the discovery of the ‘cut-up’ technique -- a collage of texts, not pictures -- which his longtime collaborator William S. Burroughs put to more extensive use. He is also considered one of the early innovators of sound poetry, which he defines as ‘getting poetry back off the page and into performance.’ *Back in No Time* gathers materials from the entire Gysin oeuvre: scholarly historical study, baroque fiction, permuted and cut-up poetry, unsettling memoir, selections from *The Process* and *The Last Museum*, and his unproduced screenplay of Burroughs’ novel *Naked Lunch*. In addition, the Reader contains complete texts of several Gysin pieces that are difficult to find, including “Poem of Poems,” “The Pipes of Pan,” and “A Quick Trip to Alamut.”
