## **Jewish Men Pray: Words of Yearning, Praise, Petition, Gratitude and Wonder from Traditional and Contemporary Sources**

**A celebration of Jewish men's voices in prayer?to strengthen, to heal, to comfort, to inspire from the ancient world up to our own day.**

"An extraordinary gathering of men?diverse in their ages, their lives, their convictions?have convened in this collection to offer contemporary, compelling and personal prayers. The words published here are not the recitation of established liturgies, but the direct address of today's Jewish men to *ha-Shomea Tefilla*, the Ancient One who has always heard, and who remains eager to receive, the prayers of our hearts."

?from the Foreword by Rabbi Bradley Shavit Artson, DHL

This collection of prayers celebrates the variety of ways Jewish men engage in personal dialogue with God?with words of praise, petition, joy, gratitude, wonder and even anger?from the ancient world up to our own day.

Drawn from mystical, traditional, biblical, Talmudic, Hasidic and modern sources, these prayers will help you deepen your relationship with God and help guide your journey of self-discovery, healing and spiritual awareness. Together they provide a powerful and creative expression of Jewish men's inner lives, and the always revealing, sometimes painful, sometimes joyous?and often even practical?practice that prayer can be.

*Jewish Men Pray* will challenge your preconceived ideas about prayer. It will inspire you to explore new ways of prayerful expression, new paths for finding the sacred in the ordinary and new possibilities for understanding the Jewish relationship with the Divine. This is a book to treasure and to share.
