**Minerda** Lyn Fairchild Hawks

Minerva Mae Christopoulos is that inventive, writerly kid who doesn't fit, weaving tales no one wants to hear. She's a nerd bullied by her classmates till she's lost all hope. Then one day, Diana Lucy Woods appears... Lyn Fairchild Hawks and Robin Follet join forces to tell a common tale of bullying with some unique twists: fables gone awry, Mean Girls who are mythically nasty, and a sweet newcomer oblivious to cliques who saves the day. The prequel to Hawks' novel about Minerva's quest to change the world with journalism, this graphic novella chronicles the pitfalls of being a gifted, weird, wise girl.
