Whether she's writing about redneck politics in her native Texas or the discreet charms of Bushwazee, Molly Ivins is never less than devastatingly honest—and hilarious. Our toughest, funniest, and savviest columnist delivers the goods on:

-Texas politics: "Well, our attorney general is under indictment. He ran as 'the people's lawyer'; now we call him 'the people's felon.'"

-The flag burning debate: "Bush's last birthday cake was in the form of the American flag, and *he ate it*—stars, stripes, and all. Think about where that flag wound up—I call that desecration."

-Beign a woman in Texas: "There are several strains of Texas culture: They are all rotten for women... One not infrequently sees cars or trucks sporting the bumper sticker "Have fun—beat the hell out of someone you love."
