**Never Let a Serious Crisis Go to Waste: How Neoliberalism Survived the Financial Meltdown** Philip Mirowski

At the onset of the Great Recession, as house prices sank and joblessness soared, many commentators concluded that the economic convictions behind the disaster would now be consigned to history. Yet in the harsh light of a new day, attacks against government intervention and the global drive for austerity are as strong as ever. *Never Let a Serious Crisis Go to Waste* is the definitive account of the wreckage of what passes for economic thought, and how neoliberal ideas were used to solve the very crisis they had created. Now updated with a new afterword, Philip Mirowski's sharp and witty work provides a roadmap for those looking to escape today's misguided economic dogma.

*From the Hardcover edition.*
