They're no more than a few acres across, with streets and buildings on every side--yet Patrick Reed is inexplicably drawn to the woods behind his house. What he finds amongst those trees in the scarce light of the moon is an ancient power that is both wonderful and terrifying. He embraces this power at first... but when odd things begin to happen in Hillward, he's the only one who can protect the little town from the darkness that lingers there. Now, while avoiding the attention of his concerned parents and maintaining a budding friendship with a special classmate, Patrick must use his new-found power to uncover the mystery of the beckoning crow before the whole town is engulfed in shadow...
