The Life Of Abraham Lincoln: (Henry Ketcham Classics Collection) Henry Ketcham

At the beginning of the twentieth century there is, strictly speaking, no frontier to the United States. At the beginning of the nineteenth century, the larger part of the country was frontier. In any portion of the country to-day, in the remotest villages and hamlets, on the enormous farms of the Dakotas or the vast ranches of California, one is certain to find some, if not many, of the modern appliances of civilization such as were not dreamed of one hundred years ago. Aladdin himself could not have commanded the glowing terms to write the prospectus of the closing years of the nineteenth century. So, too, it requires an extraordinary effort of the imagination to conceive of the condition of things in the opening years of that century.
