Treasured Moments with Mother Graham Rose Adams, Donna Lee Toney

Billy Graham describes Rose Adams as “a delightful Christian woman who cared for my mother, Morrow Coffey Graham, in her last two years of life.” Decades later, Rose would still visit the reverend and his wife, Ruth, warming their hearts with memories of Mother Graham, as she was known, and how every conversation would lead back to the Bible.

In time, Adams put these recollections on tape for Billy Graham. Deeply touched, he then suggested putting them into book form, knowing so many would draw comfort and strength from seeing how one younger woman learned so much from an older one.

Treasured Moments with Mother Graham is the sparkling result, four months worth of daily devotions built from the diary of Rose Adams. Each entry includes a word of Truth from Mother Graham, a related Scripture and application, a recollection from Rose Adams to Billy Graham on the context and meaning of this teaching from his mother, and finally is complemented by reflections on this thought from Billy Graham. These are indeed treasured moments that span every book of the Bible and every facet of the Christian life.
