Developing Fluent Readers: Teaching Fluency as a Foundational Skill (Essential Library of Prek-2 Literacy) Melanie R. Kuhn PhD, Lorell Levy EdD

Viewing fluency as a bridge between foundational skills and open-ended learning, this book guides teachers through effective instruction and assessment of fluent reading skills in the primary grades. Fluency's relationship to phonological awareness, phonics, and print concepts is explained, and practical methods are shared for integrating fluency instruction in a literacy curriculum grounded in the Common Core State Standards (CCSS). Classroom examples, weekly lesson plans, and extensive lists of recommended texts add to the book's utility for teachers.
