A curvy woman, trapped by a forest fire, meets the strong alpha bear who will save her, and steal her heart.

Deep down, elementary school teacher Amanda Swan has always known that the mate for her would be a strong, alpha-type who knows how to handle **a sexy girl with curves**. When a class trip the woods goes wrong and she finds herself trapped by the fiery flames, she'll find fate steps in to *shift* her whole world.

Bjorn Harken is **a dark, handsome shifter**, recently out on his own with an eye (and a nose) for a mate. When he runs into the flames, against everything he knows to save the human in distress, he finds more than he ever imagined in Amanda.

Two souls from different worlds and flung together by fate. Will Amanda **take a chance** on the **tempting alpha** who saved her. Will Bjorn give in to the call of his wild and **mark the curvy human as his mate**?

Heads Up: This story contains some truly steamy sex scenes! If you're easily offended by hot smokin' passion, you might want to give this one a pass. But, if you like dark and dreamy alpha shifters, the sexy curvy women they mark, and the hot and heavy that follows, then step right in and enjoy!
