Say No to Joe? (Visitation, Book 1) Lori Foster

You met Joe Winston in Lori Foster's Wild. Now, the Winston brothers' seductive, bad-boy cousin is back and up against a woman who's immune to his considerable charms. . .or so it seems. . .

Irresistible Force--Meet Immovable Object

Joe Winston has a routine with women: he exists; they swoon; roll credits. With his smoldering looks, macho style, and irrepressible charm, Joe can have any woman--except the one he really wants. Secretly, Luna Clark may lust after Joe, but she's made it clear that she's too smart to fall for him. He can just keep holding his breath, thank you very much. But now, Luna's inherited two kids who need more than she alone can give in a small town that seems hell-bent on driving them away. She needs someone to help out. . .someone who can't be intimidated. . .someone just like Joe. Becoming an instant family wasn't exactly what Joe had in mind, but hey, it's a start, and you can't blame a guy for trying every angle.

After all, where there's a Joe, there's a way. . .straight into a woman's heart.
