**The Case for Grace Student Edition: A Journalist Explores the Evidence of Transformed Lives** Lee Strobel

*In The Case for Grace Student Edition*, Lee Strobel and Jane Vogel present a compelling and highly personal *experiential* case for God, focusing on God’s transforming work in the lives of people today.

Writing with unusual candor, Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God’s redeeming love, including those whose lives have been radically changed after discovering the “how” and “why” behind God’s amazing grace. You’ll encounter racists, addicts, and even murderers who have found new hope and purpose. You’ll meet once-bitter people who have learned to forgive those who have harmed them—and, equally amazing, people mired in guilt who have discovered that they can even forgive themselves.

Through it all, you will see how God’s grace can change your eternity and relationships... starting today.
