The Illustrated Guide To Crystals Judy Hall

Born deep within the earth, and hardened to transparent, multifaceted beauty, crystals radiate power--the power to heal illness, attract love, release emotional blockages, and give protection from negative energies. Never before has there been such a wide range of gems available, and in this lavishly illustrated guide is all the information needed to choose, cleanse, and program these gifts of nature. Along with a colorful crystal directory and an explanation of the different types, see how to use your own special stone to find a soul mate, and improve relationships. Restore the body with the ancient art of crystal medicine, work with the chakras, and relieve mental and emotional stress. Safeguard your space and aura; turn stones into talismans and amulets, and perform crystal divination. Find the right crystal for increasing self-worth and intuition, recalling a past life, or even contacting the angelic realms. Bonus: includes gem therapy remedies. 128 pages (all in color), 8 x 10.
