## Understanding The Scarlet Letter: A Student Casebook to Issues, Sources, and Historical Documents (The Greenwood Press "Literature in Context" Series) Claudia Durst Johnson

Sexual misconduct of society's leaders, the plight of single mothers, the separation of church and state ? all are burning issues of the 1990s which sparked outrage and controversy 150 years earlier in The Scarlet Letter. Now, no study of American history is complete without thorough examination of Nathaniel Hawthorne's timeless masterpiece. This multidisciplinary study of the novel contains historical documents, collateral readings, and commentary. In short, it is the ideal companion for students who wish to fully understand the novel in the context of its time, and to unlock its current relevance. Among the materials are original 17th-century documents that illuminate Puritan attitudes and bring the Salem witchcraft trials to life, private journals, historical reports, 19th-century magazine articles, sketches, and newspaper stories. Many of the documents are available in no other printed form. Not only do these materials provide a taste of 17th-century Puritan culture, but they also glimpse into Hawthorne's mind as he comes to terms with his witch-hunting ancestors and his vocation. Most importantly, this casebook contemplates the many issues raised by The Scarlet Letter which inextricably link the 17th-century Puritans to the 19th century culture of Hawthorne to the present. Each section of this casebook contains study questions, topic ideas for written or oral expression, and lists of further readings for examining the issues raised by the novel. Designed as a resource for students, teachers, and library media specialists, the volume is cloth bound and printed on high quality acid-free paper, making it an excellent addition to every library collection.

A literary analysis focusing on the issues raised by the novel opens the casebook. In Part Two, the Puritan's code of crime and punishment and the basic tenets of their belief are analyzed through original 17th-century diaries, letters, and testimony from the Salem witch trials. Part Three examines the novel's introductory essay, the autobiographical The Custom House, which finds Hawthorne grappling with the role his ancestors played in persecuting the Quakers and the Salem witches, as well as his own internal conflict over his vocation as a fiction writer. The moral attitudes at the time of Hawthorne's controversial work are also examined through reviews published at the time of publication. Part Four draws connections between two issues raised by the novel - the unwed mother and the lapsed minister - that remain controversial today and features recent news articles on these issues. A glossary of terms and a topic and person index complete this latest addition to Greenwood Press' Literature in Context series.

**Ronald Marinelli:**

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's spirit or real their

hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Understanding The Scarlet Letter: A Student Casebook to Issues, Sources, and Historical Documents (The Greenwood Press "Literature in Context" Series) can make you experience more interested to read.
