Thomas Hobbes

Leviathan (Penguin Classics) Thomas Hobbes

"During the time men live without a common Power to keep them all in awe, they are in that condition which is called Warre"

Written during the turmoil of the English Civil War, *Leviathan* is an ambitious and highly original work of political philosophy. Claiming that man's essential nature is competitive and selfish, Hobbes formulates the case for a powerful sovereign—or "Leviathan"—to enforce peace and the law, substituting security for the anarchic freedom he believed human beings would otherwise experience. This worldview shocked many of Hobbes's contemporaries, and his work was publicly burnt for sedition and blasphemy when it was first published. But in his rejection of Aristotle's view of man as a naturally social being, and in his painstaking analysis of the ways in which society can and should function, Hobbes opened up a whole new world of political science.

Based on the original 1651 text, this edition incorporates Hobbes's own corrections, while also retaining the original spelling and punctuation, to read with vividness and clarity. C. B. Macpherson's introduction elucidates one of the most fascinating works of modern philosophy for the general reader.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From reader reviews:

Joseph Cole:

Do you have favorite book? If you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each publication has different aim or maybe goal; it means that guide has different type. Some people really feel enjoy to spend their time to read a book. They are reading whatever they acquire because their hobby will be reading a book. What about the person who don't like looking at a book? Sometime, particular person feel need book whenever they found difficult problem or exercise. Well, probably you'll have this Leviathan (Penguin Classics).

Sunny Weaver:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a understanding or any news even restricted. What people must be consider if those information which is inside former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you obtain the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Leviathan (Penguin Classics) as your daily resource information.

Chuck Bryson:

This Leviathan (Penguin Classics) is great book for you because the content that is certainly full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it facts accurately using great arrange word or we can state no rambling sentences inside. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having Leviathan (Penguin Classics) in your hand like getting the world in your arm, facts in it is not ridiculous a single. We can say that no e-book that offer you world inside ten or fifteen second right but this guide already do that. So , this really is good reading book. Hello Mr. and Mrs. stressful do you still doubt that will?

April Baker:

Reading a reserve make you to get more knowledge from the jawhorse. You can take knowledge and information from your book. Book is written or printed or highlighted from each source in which filled update of news. With this modern era like today, many ways to get information are available for an individual. From media social just like newspaper, magazines, science book, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just searching for the Leviathan (Penguin Classics) when you needed it?
