The Dickson Baseball Dictionary (Third Edition)

Paul Dickson

The Dickson Baseball Dictionary (Third Edition) Paul Dickson

The expanded and now-definitive work on the language of baseball? “That rarest of sports books, a valuable reference work that provides absorbing and enlightening reading.” (*Sports Illustrated*)

Hailed as “a staggering piece of scholarship” (*Wall Street Journal*) *The Dickson Baseball Dictionary* is the most complete resource on the lexicon of baseball in the English language. More than twenty-five years in the making, with the help of more than 400 baseball and lexical experts, this masterful third edition, expanded by more than 30 percent, with over 10,000 terms and 18,000 definitions, provides the comprehensive history and meanings of words and phrases from around the world of baseball.

Drawing on dozens of nineteenth- and early twentieth-century periodicals, as well as contemporary sources, Paul Dickson’s brilliant, illuminating definitions trace the earliest appearances of our most treasured baseball expressions (“tearin’ up the pea patch,” “can o’ corn,” “catbird seat,” etc.). Termed “baseball’s Webster,” Dickson has spent nearly a decade painstakingly revising and writing new definitions, for words both well-known and obscure, including those introduced by Latin-American ballplayers, and statistical expressions relating to fantasy baseball and the SABR/*Moneyball* era. More than 200 photos throughout the book?many rare and previously unpublished?illuminate various historical and contemporary terms.

Because of its deep and broad coverage, its authoritativeness and its rich and colorful descriptions, *The Dickson Baseball Dictionary* will prove indispensable to baseball fans and word lovers alike. 263 illustrations
