Future Las Vegas is as crazy as ever—even after toxic gas bombs have poisoned the air and moved the party inside. Hired as an entertainer, Chloe moves from the heartland with big dreams of fame and fortune...until an accident exposes her to the gas, and it's discovered she's genetically immune to the poison. Now Vegas wants her enrolled in a dating program created to encourage immune breeding. Will she opt out and return to the rich ex she left behind? Stay and play for the chance at fame on the stage? Or can a gorgeous scientist who's also immune tempt her heart?

SilkWords LLC is the go-to source for interactive women's fiction, offering high quality romance and erotica that allows individual readers to choose how stories proceed. Three formats are available: branched fiction ("pick your path"), linear stories that are produced with reader participation, and stories with SilkWords worlds in which the reader chooses which couple to follow in a common world. Toxic Love is a branched fiction.
