What and who is business for? What exactly is work and how can we distinguish it from other activity? Do businesses operate along different ethical lines from individuals? This clear and accessible text introduces key philosophical concepts and ideas and applies them to fundamental issues in management and organizations. Written for business and management students with no previous knowledge of philosophy, this text will lead readers to question the basic assumptions widely made about business and management. An Introduction to the Philosophy of Management is packed with case studies and examples which provoke thought and discussion. Coverage includes crucial topics such as business ethics, culture and leadership.

Key features:

- Boxed definitions of key concepts
- Real life case studies and examples
- Questions for Reflection
- Further reading

This text is essential reading for any business and management student wanting to think creatively.

From reader reviews:

Teresa Powers:

What do you think of book? It is just for students because they are still students or that for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has diverse personality and hobby for every other. Don't to be obligated someone or something that they don't want do that. You must know how great in addition to important the book An Introduction to the Philosophy of Management. All type of book can you see on many sources. You can look for the internet options or other social media.

Mary Bolinger:

This An Introduction to the Philosophy of Management book is just not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book will be information inside this guide incredible fresh, you will get information which is getting deeper anyone read a lot of information you will get. This specific An Introduction to the Philosophy of Management without we comprehend teach the one who reading it become critical in imagining and analyzing. Don't be worry An Introduction to the Philosophy of Management can bring whenever you are and not make your carrier space or bookshelves' become full because you can have it in the lovely laptop even telephone. This An Introduction to the Philosophy of Management having very good arrangement in word and layout, so you will not sense uninterested in reading.

Louise Fulghum:

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a understanding or any news even a huge concern. What people must be consider whenever those information which is in the former life are hard to be find than now is taking seriously which one is suitable to believe or which one the particular resource are convinced. If you obtain the unstable resource then you understand it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take An Introduction to the Philosophy of Management as your daily resource information.

Ann McLemore:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this An Introduction to the Philosophy of Management can make you feel more interested to read.
