The word Apocrypha comes from a Greek word meaning "those having been hidden away".

Apocrypha generally means those sacred books of the Jewish people which were not included in the Hebrew canonized Bible.

These books are valuable as forming a link connecting the Old and New Testaments, and are regarded as useful reading, although not all the books are of equal value.

The apocryphal books in this Kindle book are considered of "special value" and are mostly correct, but with many interpolations by man.

The Roman Church regards as part of the canon the books of Tobit, Judith, Wisd., Eccus., Baruch, 1 and 2 Macc., and the additions to Daniel and Esther. Besides these books, there are other Jewish apocryphal writings. The chief are the Psalms of Solomon, the Book of Enoch, the apocalypse of Baruch, the Testaments of the Twelve Patriarchs, the Assumption of Moses, the Book of Jubilees, and the Sibylline Oracles
