DC Comics: Super-Villains: The Complete Visual History Daniel Wallace

As any comics fan knows, a Super Hero is nothing without a worthy foe to battle. For every Batman there has to be a super-villain like The Joker, and for every Superman a Lex Luthor. This deluxe book celebrates nearly eighty years of compellingly corrupt characters from the DC Universe's remarkable gallery of super-villains. From the Penguin to Harley Quinn and Doomsday to General Zod, *DC Comics: Super-Villains* explores the story of these beloved baddies through new interviews with acclaimed writers and artists, including Jim Lee, Mike Carlin, Dan DiDio, and Chuck Dixon. Charting the dynamic way in which DC Comics evildoers have evolved throughout the years, the book brings together the very best super-villain art from the DC Comics archives. Also featuring a foreword by filmmaker and comic book writer Kevin Smith, and an exclusive cover illustrated by acclaimed artist Phil Jimenez, *DC Comics: Super-Villains* is the ultimate celebration of the nefarious DC Comics characters that fans love to hate.
