- Multidisciplinary care plans for sample clients show how members of the health care team work together.
- Client-specific case studies highlight particular mental disorders and help you apply chapter content to real-life situations.
- “Think About” boxes throughout the text strengthen your critical-thinking skills.
- UNIQUE “Drug Alert” boxes highlight what you need to know about a wide range of specific psychotherapeutic medications.
- UNIQUE Standard LPN full-color design and “Content Threads” point out key information and special features in each chapter, consistent with the format of other books in the LPN Threads series.
- Appendixes give you easy access to mental health care standards, DSM-IV TR diagnoses, and assessment tools that are essential for providing quality care.
- FREE workbook at the end of the book includes crossword puzzles, multiple-choice questions, and other exercises to boost your comprehension of the material.
  
- FULL-COLOR illustrations make the text even more visually appealing and user-friendly.
- Additional case studies help you apply chapter content to more real-life scenarios such as chronic illness and substance abuse with accompanying questions to test your critical-thinking skills.
- Chapter on complementary and alternative therapies increases your awareness of the benefits and risks of alternative therapies such as ayurveda, herbal supplements, massage, meditation, acupuncture, and telemedicine.
- Forensic nursing content familiarizes you with the prevention and treatment of violence-based disorders and shows you how to obtain and document evidence for legal purposes.
- NEW antianxiety and antimanic drug information keeps you up-to-date on the latest psychotropic medications.
