A Christmas Carol: The Death of Tiny Tim: And Other Dark Stories Joseph L Calvarese

"A Christmas Carol: The Death of Tiny Tim and Other Dark Stories" is a collection of five dark and diverse short stories. The title story is an extension of the original Dickens' classic that deals with the mysterious demise of Tiny Tim. Was there something wrong with the prize turkey sent by Mr. Scrooge?

The other four stories include subjects such as: a man allergic to bee venom trapped in an elevator with a wasp; an alligator who wears pajamas; murder by injection of rat poison and finally; murder by delusion.

The only things these stories share in common are mysterious death and a very dry sense of humor.

Also, while the Tiny Tim story may be sad, it can be read by anyone. The remainder of the book deals with some very adult subject matter.

Hope you enjoy it.

"A Christmas Carol: The Death of Tiny Tim and Other Dark Stories" is a collection of five short stories that I have written over the recent past few years. The title story is an homage to the original beloved Dickens' classic, and extends the work as a Christmas mystery. Did Scrooge really kill Tiny Tim by sending an undercooked prize turkey to the Cratchit family on Christmas Day?

The other four stories explore a diverse range of subject matter including:

- What happens when a man, allergic to bee venom, is trapped on a stuck elevator with a wasp?
- How does an alligator help solve a murder mystery to the benefit of two thieves in Jacksonville, Florida?
- When an attorney tracks down his college girlfriend years later, what serious consequences might occur?
- Finally, beware of what you download to your phone in the Future...

This collection of stories is dark and decidedly diverse, but writing them was my joy, and I hope you enjoy the results.
