Falling Angels: A Novel Tracy Chevalier

Time magazine crowned **Girl With a Pearl Earring** "a portrait of radiance...a jewel." In her **New York Times** bestselling follow-up, Tracy Chevalier once again paints a distant age with a rich and provocative palette of characters. Told through a variety of shifting perspectives—wives and husbands, friends and lovers, masters and their servants, and a gravedigger's son—**Falling Angels** follows the fortunes of two families in the emerging years of the twentieth century. Graced with the luminous imagery that distinguished *Girl With a Pearl Earring*, *Falling Angels* is another dazzling tour de force from this "master of voices" (**The New York Times Book Review**).
