Being a mother is tough, and sometimes life can be hectic and disorganized. The truth is, moms don't have to accept the chaos or resign themselves to the attitude of "this is just the way it is." By God's grace, every mother can purpose not to settle for anything less than *His* pattern for motherhood, and His pattern is victorious, triumphant, and glorious.

Now, women who first met Leslie Ludy in *When God Writes Your Love Story* and *Authentic Beauty* can continue journeying with her through the realities of motherhood. Leslie will encourage, inspire, and equip moms to be successful in raising their kids, managing their homes, and keeping Christ at the center of their mothering. Written from the perspective of a mom who is currently "in the trenches" with several young children at home, Leslie will help guide readers to become mothers who are set apart for God's purposes.
