Isn't it time you stopped grasping for success and started *attracting* it?

Thomas J. Leonard is the father of personal coaching, an explosively growing movement highlighted by recent features in *Newsweek*, *The Wall Street Journal*, *The New York Times*, *The London Times*, *New Age Journal*, and featured on NBC, CBS, and CNN. Here is Leonard's 28-step Principles of Attraction program -- an exciting, profoundly transformational system that will reorient your approach to life and help you attract success, happiness, and fulfillment as surely as a magnet draws steel.

Originally developed for the professional coaches at Coach University for use with their tens of thousands of clients worldwide, Leonard's set of strategies draws on wisdom from psychology, career counseling, management consulting, personal growth programs, motivational training, and good old common sense. These principles have been proven to work, consistently, with virtually every type of personality, situation, or problem. Now, for the first time, they are available in book form as *The Portable Coach*.

Complete with Coach University's patented and challenging self-testing materials, these 28 steps open a path to achievement that won't leave you feeling hollow, soulless, or exhausted from striving.
