The War Planners: Omnibus Edition (Episodes 1-4) Andrew Watts

There is evidence in the news almost every day. Territorial disputes in the South China Sea. China's ongoing military buildup. Cyber attacks on the US government. It's this century's cold war...until it turns hot.

A CIA operative in Shanghai sends a message to Langley, and then goes missing. An inner-circle of Chinese government officials has set in motion plans to do the unthinkable - to invade the United States of America.

Lena Chou is one of the few US officials who knows the truth. Now, in order to covertly plan the US defense, Lena must put together a Red Cell, a group of experts who will plan how China could best attack it.

David Manning is one of those experts. But as the group creates a blueprint for war with China, he suspects that not every person among them is planning for America to win...
