**Victorian Gothic House Style: An Architectural and Interior Design Source Book** Linda Osband

With its admirable purity of design and skillful crafting, Victorian Gothic took its cue from medieval ecclesiastical buildings in northern Europe. Through this highly illustrated source--with over 500 photographs, some from original catalogues and others specially commissioned--anyone can recreate the feel of a 19th century Gothic revival style home. From steeply pitched roofs topped by turrets, towers, and chimney-stacks to beautiful natural materials to intricate carvings, every detail will fascinate and inspire.
