## Education Finance for School Leaders: Strategic Planning and Administration C. William Garner

This practical, easy-to-read guide explains the “why,” “What,” and “how” of school finance to those who need to understand the fundamentals of financial management. It allows readers to make the kind of informed, effective decisions that serve both the student body and the school's bottom line. Coverage incorporates the history of school finance and the changes that have come about in recent years; aligns its content to the most recent NCATE standards; and provides enough of the “nuts and bolts” of financing to ensure that the reader will easily grasp the subject. An expansive *Resources for Administrators* section at the end of the book provides the numerical standards used by all state Departments of Education and a comprehensive glossary of specialized financial terms make this book an excellent resource. A must-have desk reference for administrators in all facets of the education system. This book is also useful for those who sit on Education Boards, as well as those who make decisions about their community's use of resources.
