Genesis (Spanish Edition)

Bernard Beckett

Genesis (Spanish Edition) Bernard Beckett

En un futuro no muy lejano una estudiante llamada Anaximandro se presenta al riguroso examen de ingreso en la Academia el organo de gobierno de la utopica sociedad en la que se ha criado. A lo largo de varias sesiones extenuantes las preguntas del tribunal que suscitan importantes cuestiones eticas y filosoficas la llevaran a descubrir una verdad que hara tambalear los cimientos sobre los que se asienta su mundo. Poco mas conviene revelar sobre el argumento sin correr el riesgo de arruinar la lectura. Genesis atrapa al lector desde las primeras lineas y lo conduce con una logica contundente y un ritmo de progresiva intensidad hasta un desenlace impactante. Llegado ese punto el lector solo deseara una cosa: comenzar a leer la novela de nuevo. Emocionante fabula especulativa thriller filosofico y meditacion humanista Genesis es una obra fuera de lo comun que escapa de toda etiqueta. Ambientada en la segunda mitad del siglo XXI recurre a los pensadores griegos mas relevantes en una estimulante reflexion sobre la fragilidad de nuestra civilizacion occidental.
